

PEACE WALK FOR BURMA

One-Year anniversary of the Saffron Revolution

Friday, September 26 (12 :00pm- 4:00 pm)
Dag Hammarskjold Plaza
47th St. & 1st Ave.

On the one-year anniversary of Burma's Saffron Revolution, give your support to one of the most principled and courageous nonviolent movements of our time. Last September, 100,000 monks took to the streets. When the military cracked down, scores were killed, thousands were imprisoned and many monks remain unaccounted for or in hiding. Monasteries remain closed.

Join some of the monks who were there, and encourage the Burmese in their struggle for democracy.
